VKV GOVERNMENT DEGREE COLLEGE KOTHAPETA E.G.DT .AP

SOLID WASTE MANAGEMENT

The solid waste generated at college Campus was not properly disposed off, only dumped un-hygienically. Methodology for this solid waste management includes: Collection of paers, existing solid waste management practices as well as physical characterization of solid waste. Solid waste includes dry waste: cardboard, clothes, glass, leather, metal, paper, pebbles/sand, plastic, thermocol and wood. N.S.S Volunteers and students of this college collect and stored at solid waste area.
