

V.KV GOVERNMENT DEGREE COLLEGE KOTHAPETA

Dr.B.R.AMBEDKAR KONASEEMA DISTRICT

BEST PRACTICES-2021-22

## Best Practices

### College to village and College to school

- **Title of the Practice** :- College to village and college to school.
- **Goal** :--Awareness on primary health in village peoples and near the schools children's.
- **The Context**  
Primary health care (PHC) addresses the majority of a person's health needs throughout their lifetime.  
This includes physical, mental and social well-being and it is people-centred rather than disease-centred.
- **The Practice** :- Department of zoology and Primary Health centre conduct primary health checkups in village peoples and near the schools children's.
- Primary health centre check the primary checkups such as blood pressure,temparature, pulse rate and aware their health.

## **SOCIAL SERVICES**

### **Objectives**

Social Service practice promotes human well-being by strengthening opportunities, resources, and capacities of people in their environments and by creating policies and services to correct conditions that limit human rights and the quality of life.

Social service important for students

**It gives Satisfaction to the Students:** The students feel satisfied when they help in social services or participate in social work. The students feel that they have some role in the society. They feel that the society needs them and they feel satisfied with it.

### **The context of Social Service**

Whatever situation is brought to our attention and it's often an individual with a problem there is a context, and that context matters. The person matters, and the situation that person is in matters. Context helped create whatever the problem is, and you can use context to help solve it.

### **Practice**

## STUDENT ECO FRIENDLY COLLEGE AMBIENCE

### Objectives

**Student Eco friendly College Ambience** include Ecosystem **progress and equality, environmental protection, conservation of natural resources and stable economic growth.** Everybody has the right to a healthy, clean and safe environment. This can be achieved by reducing pollution.

### The context of Student Eco friendly College Ambience

The context covers the efforts that can be taken by colleges whether it is their initiative or a lobby coming from students.

1. Recycling Programs
2. Water harvesting Programs
3. Efficient Lighting.
4. Use of Bicycles
5. Create a Garden.
6. Sustainability Classes and Events.
7. Reduce Paper Use.
