Eco club of VKV Government Degree College, Kothapeta in association with NSS organized a Tree Plantation Program at our campus on 22-02-2022.

Tree plantation means planting trees and plants. The purpose of tree plantation is saving the endangered environment and to beautify our life. Trees are valuable gifts of nature. They are known as the best friends of human beings. They benefit us in various ways. The lives of Men and other animals and insects are inconceivable without the existence of trees in the world. Trees give us shade, medicine, food, fruits, furniture, fuel etc. Trees also keep the weather cool and cause rainfall. They also bind soil and thus prevent erosion.

College NSS Committee was conducted Plantation programme in VKV Govt Degree College on 22-02-2022 under the Chairmanship of Principal Sri. Dr. K. P. Raju and NSS Coordinator Sri. S. Arunkumar, Commerce lecturer K. Satyanarayana Garu, lecturer Naga Deepika and other teaching and non-teaching staff and Students were participated in this programme. Swachh Bharat Mission (SBM), Swachh Bharat Abhiyan, or Clean India Mission is a country-wide campaign initiated by the Government of India in 2014 to eliminate open defecation and improve solid waste management. It is a restructured version of the Nirmal Bharat Abhiyan launched in 2009 that failed to achieve its intended targets. Phase1 of the Swachh Bharat Mission lasted till October 2019. Phase2 is being implemented between 2020–21 and 2024–25 to help cement the work of Phase1.

The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India. Shri Narendra Modi led a cleanliness pledge at India Gate, which about thirty lakh government employees across the country joined.

Swachh Bharat program was organized on 27-11-2021 at VKV Degree College to clean the college campus. The College Principal Sri. Dr. K. P. Raju, Vice Principal B. Vishnu Murthy, Librarian & NSS Coordinator Shri. Arun Kumar, Botany HOD Shri. Nageswara Rao, Commerce Faculty Shri. K.S. Satyanarayana, Lecturer in English, Naveen Kumar, Lecturer in Economics Smt. T. Ramadevi, Smt. Nagarani, Smt. Srilakshmi, Mr. Paulson, and other teaching and non-teaching faculty students participated. The event was graced by the College Principal, Dr. K.P. Raju, Vice Principal B. Vishnu Murthy, Librarian & NSS Coordinator Shri Arun Kumar along with other faculty, and students cleaned the college premises in collaboration.

WORLD OZONE DAY

S.No	Content	Name
1	Name of the Programme	WORLD OZONE DAY
2	Date & Time	16-09-2021 & 10.00AM to 11.30AM
3	Conducted by	Chemistry Department
4	No. of Students attended	75
5	Chief Guest	Principal and Staff
6	Convener	Sri. M. Padmaja, Head of the Department Chemistry. Sri. Gonu Srinivasulu, Lecturer in Chemistry

WORLD OZONE DAY 2021: September 16th is observed as National Pollution Control Day every year. To create awareness on OZONE HOLE and its implications made awareness programme among the students by conducting poster presentation competition and distributed prizes for the winners. For this Ozone is a gas made up of three oxygen atoms (O_3). It occurs naturally in small (trace) amounts in the upper atmosphere (the stratosphere). Ozone protects life on Earth from the Sun's ultraviolet (UV) radiation. In the lower atmosphere (the troposphere) near the Earth's surface, ozone is created by chemical reactions between air pollutants from vehicle exhaust, gasoline vapors, and other emissions. At ground level, high concentrations of ozone are toxic to people and plants.

Ozone in the stratosphere absorbs most of the ultraviolet radiation from the Sun. Without ozone, the Sun's intense UV radiation would sterilize the Earth's surface. Ozone screens all of the most energetic, UV-c, radiation, and most of the UV-b radiation. Ozone only screens about half of the UV-a radiation. Excessive UV-b and UV-a radiation can cause sunburn and can lead to skin cancer and eye damage.

The event was held at the seminar hall and was presided by the College Vice Principal Sri B. Vishnu Moorthy. Librarian & NSS Coordinator Sri Arun Kumar, Chemistry HOD M.Padmaja, G.Srinivasulu, T. Ramadevi, Simhadri and other faculty and students were participated. On this occasion, the Principal, Vice-Principal, NSS Coordinator Sri Arun Kumar and other staff and students delivered their speeches on the occasion of National Pollution Control Day. The programme ended with the singing of the national anthem.

లు, అధ్యాపకులు పర్యావరణ పరిరక్షణపై ప్రసంగించారు. అనంతరం సీఎ పెద్దిరాజు మొక్కలు నాటి కార్యక్రమాన్ని ప్రారంభించారు. ఈ సందర్భంగా ఆయన విద్యార్థులతో 'మొక్కలు పెంచుదాం-పర్యావరణాన్ని పరిరక్షిద్దాం' అనే నినాదాలు రేయించారు. ఈ కార్యక్రమంలో స్థానిక వంటాయతీ సభ్యుడు మిర్జా ఆదినారాయణ, ఎస్సై జి.హరీష్ కుమార్, అటవీ ఎన్ఫోర్స్ ప్రాసెసర్స్

ఎన్.సూర్యరాఘవేంద్ర, పి.మొరళీశర్మ, అధ్యాపకులు పీఎల్ నాయుడు, కీచి రావు, ఎన్ఎస్ రావు, యం.వచ్చె, టీఎస్ రెడ్డి తదితరులు పాల్గొన్నారు. అనంతరం ప్రతి విద్యార్థికి 3 మొక్కల రొమ్మపంపిణీ చేసి తమ ఇళ్ల వద్ద నాటాలని సూచించారు. అలాగే కొంత మంది విద్యార్థులను పెదగుళ్ళ పాలిం సోషల్ ఫారస్ట్రీ సర్కిల్ వద్దకు తీసుకువెళ్లి పర్యావరణ పరిరక్షణపై అవగాహన కల్పించారు.

TREE PLANTATION PROGRAMME AT COLLEGE

EENADU NEWS!

SWATCH BHARATH IN THE COLLEGE

S.No	Content	Name
1	Name of the Programe	Swatch Bharath
2	Date & Time	30-08-2018 & 3.00PM to 4.00PM
3	Conducted by	NSS
4	No. of Students attended	85
5	Chief Guest	Principal and Staff
6	Convener	Sri. S. Arun Kumar, Lect. In Library Science.

The volunteers doing Swachh Bharat, Clean & Green in the College campus with Principal Dr. V. Papayya Sastry, Vice – Principal Sri. S. Arun Kumar, Sri. N. Nageswara Rao Head of the Department Botany, and other Teaching and Non-teaching Staff were Participated in the Programme.

Swachh Bharat Mission (SBM) or Clean India Mission is a country-wide campaign initiated by the Government of India in 2014 to eliminate open defecation and improve Solid Waste Management. The program also aims to increase awareness of menstrual health management. It is a restructured version of the Nirmal Bharat Abhiyan launched in 2009 that failed to achieve its intended targets.

Swachh Bharat or Swachh Bharat Abhiyan is a national level campaign by the Government of India covering 4041 statutory towns to clean the streets, roads and infrastructure of the country. This campaign was officially launched on 2 October 2014 at Rajghat, New Delhi, where Prime Minister Narendra Modi himself wielded broom and cleaned a road. The campaign is India's biggest ever cleanliness drive and 3 million government employees and schools and colleges students of India participated in this event. The mission was started by Narendra Modi, the Prime Minister of India, nominating nine famous personalities for this campaign, and they take up the challenge and nominate nine more people and so on (like the branching of a tree). It has been carried forward since then with famous people from all walks of life joining it.

The second phase of the mission aims to sustain the open defecation free status and improve the management of solid and liquid waste, while also working to improve the lives of sanitation workers. The mission is aimed at progressing towards target 6.2 of the Sustainable Development Goals Number 6 established by the United Nations in 2015.
