(Accredited by NAAC "B" Grade)

(An ISO 9001:2015 certified by HYM International pvt Ltd.)

## **POLICY DOCUMENTS ON GREEN CAMPUS**

### **Environment and Energy Policy**

1. All the students and staff should switch off the lights and fans while leaving the room.
2. The college should take measures to use efficient electrical appliances to reduce the power consumption.
3. Time to time maintenance works of the electrical appliances like air conditioners etc., should be taken up for optimum usage of power.
4. Measures to be taken to replace all the CFL lights with LEDs.
5. Maximize the usage renewable energy resources.
6. Keep vigil at electricity consumption and minimize it.
7. Energy audits are made mandatory.
8. Students and staff should turn off the computer monitor when not at the desk.
9. Lights for illumination in the classrooms should be avoided when there is sufficient day light.

## **Solid Waste Management Policy**

1. The college should systematically engage with the 3Rs of environment friendliness (Reduce, Reuse and Recycle).
2. Measures to be taken to reduce solid waste by developing a technology-centric teaching and administrative model.
3. The college should put in all efforts to reduce use of paper by supporting digitization of attendance and internal assessment records.
4. Teaching staff should use digital tools to distribute study materials to the students.  
Printed copies are not entertained.
5. Initiatives to spread awareness amongst students about food wastage and ways of minimizing it should be taken up.
6. Students must inculcate the habit of reusing and recycling non-biodegradable products.
7. Littering is strictly prohibited.

## **Water Conservation Policy**

1. Maintain leak proof water fixtures.
2. Reuse of wastewater generated by the Reverse Osmosis (RO) system for watering the plants.
3. Minimize the use of water by constructing more Indian style toilets instead of western style toilets.
4. Innovative water-efficient technologies such as rainwater harvesting, reuse of water should be implemented.
5. Not closing the taps properly anywhere in the campus is a punishable offence.
6. Periodic maintenance of water bodies and distribution system shall be carried out.

## **Green Campus Initiatives Policy**

1. The college academic timetable should incorporate clean & green activity at least one hour per week.
2. Programs that inculcate aesthetic sensibility in students should be conducted through Eco-Club committee of the college.
3. Annual Green Audit is made mandatory.
4. Every student should participate in clean and green drives.
5. Botanical garden should be maintained to beautify the campus.
6. Medicinal plants should be planted in the campus.
7. National and International Days of environmental significance like World Earth Day etc., should be conducted to address the environmental issues including the climate change.
8. Remove all kinds of waste material like broken furniture, unusable equipment etc.
9. Activities under 'Swachh Bharat' will be a key component of all the community work being done by NSS and Eco-club of the college.

## **Disabled-friendly Environment Policy**

1. Separate washrooms should be arranged in the ground floor. Toilets shall be wide enough for free movement of differently able students.
2. Arrangement of ramp and railing should be provided for the path that leads to disabled friendly washrooms.
3. The institution shall provide or allow scribes for those students who are in need while writing exams.
4. The institution should make arrangements to conduct class work for disabled students in the ground floor of the building.
5. The institution should ensure that the students with disability get all the benefits provided by the government.
6. Any kind of stigmatization and segregation either by students or staff will be a punishable offence.
7. Students with disabilities should be ensured to get equal opportunities to explore their educational potentials.
