

National Deworming Day Awareness and Albendazole 400mg Tablet Distribution

On 12/08/2025

The Department of Zoology of our college organized the National Deworming Day Awareness and Albendazole 400mg Tablet Distribution Program on Tuesday, 12th August 2025. The aim of the program was to raise awareness about the importance of deworming in promoting better health among students.

As part of the event, the principal addressed the gathering and emphasized the significance of taking Albendazole 400mg tablets to prevent parasitic infections and improve overall well-being.

The program saw active participation from faculty members including T. Rama Devi, Dr. G. Srinivasulu, Dr. K. Satyanarayana, Dr. Ch. Papparao, B. Vijayakumar, V. Nagadeepika, Ch. Naga Srilakshmi, M. Hemalatha, and P. Prasanna Jyothi, along with the medical staff from Kothapeta PHC and enthusiastic student volunteers.

Following the awareness session, Albendazole 400mg tablets were distributed to the students.
