(03 November 2025 to 13 November 2025)

Commissionerate of Collegiate Education (CCE), Andhra Pradesh, organized the **online Faculty Development Program (FDP)** on **“Introduction to Artificial Intelligence”**, under the Skill Enhancement Courses initiative for faculty working in Government Degree Colleges across the state.

The FDP sessions were attended by the teaching staff of our college from **03 November 2025 to 13 November 2025**. The program was conducted daily from **3:30 PM to 5:00 PM** at the **College Computer Lab, VKV Government Degree College, Kothapeta**. Necessary arrangements were made to facilitate smooth online participation for the faculty members.

The training focused on providing an overview of Artificial Intelligence, its fundamentals, applications, and relevance in modern educational and professional environments. Participants were introduced to emerging AI tools, basic concepts of machine learning, and the role of AI in enhancing teaching-learning processes.

Faculty members actively participated in the sessions and gained valuable insights into AI technologies, which will be beneficial for improving classroom practices, academic activities, and student learning outcomes.

The FDP provided an excellent opportunity for professional development and enhanced digital competency among the staff. The Department of Computer Science coordinated the arrangements and ensured the successful conduct of the program in the college.
