

Report on PowerPoint Presentation Competition

On the Eve of Charles Babbage Birthday

Date: 19 December 2025

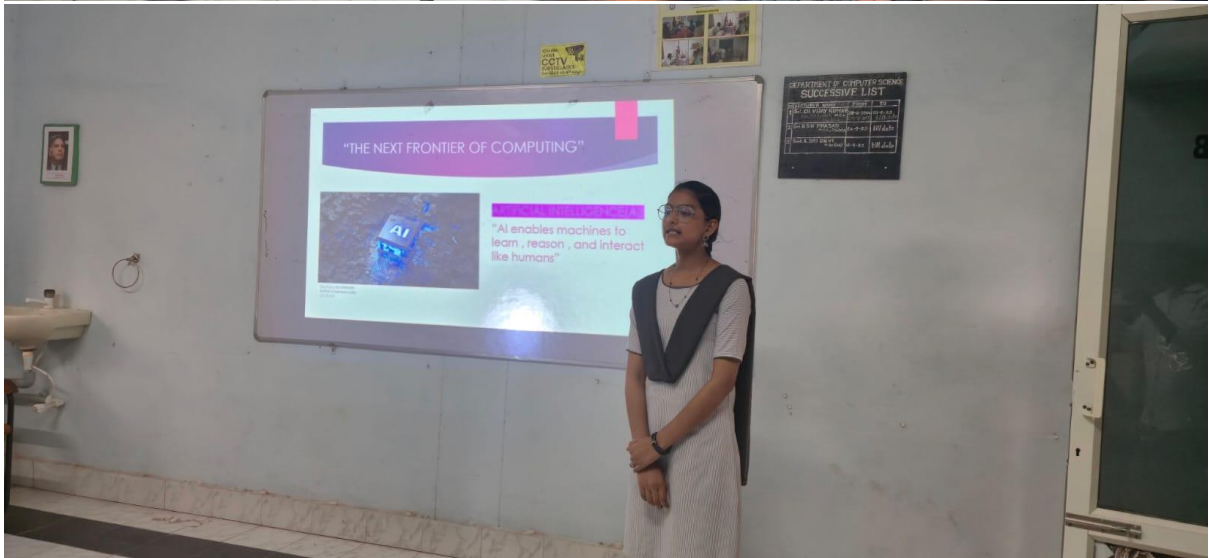

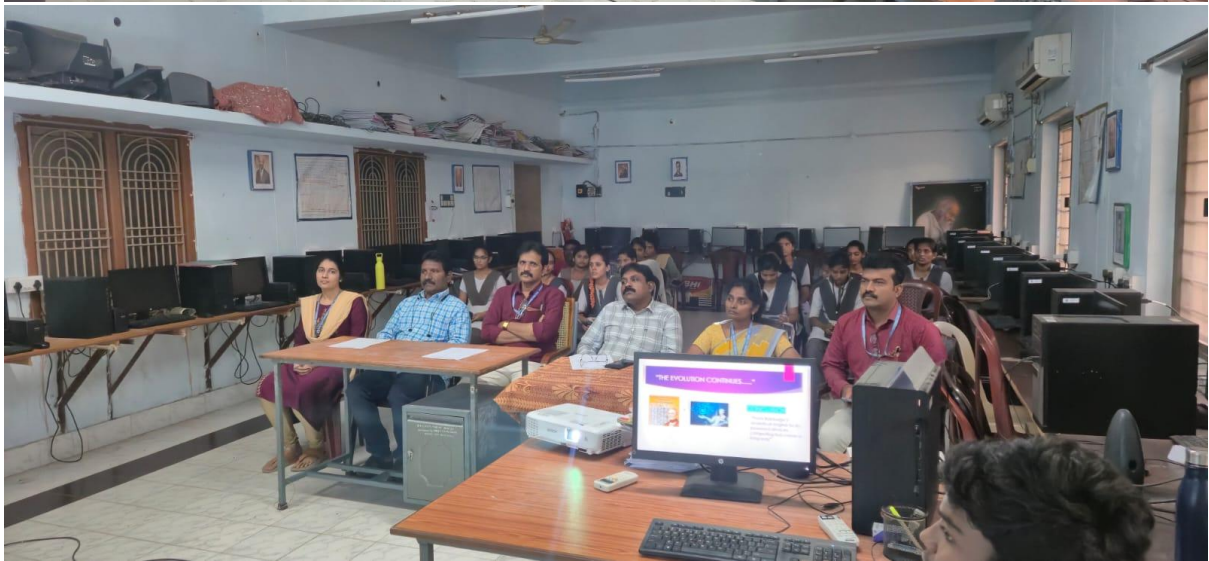

The **Department of Computer Science** successfully conducted a **PowerPoint Presentation Competition** for college students on **19th December 2025**, on the eve of the birth anniversary of **Charles Babbage**, widely known as the *Father of the Computer*. The event was organized with the objective of enhancing students' presentation skills, technical knowledge, and awareness about the contributions of Charles Babbage to the field of Computer Science.

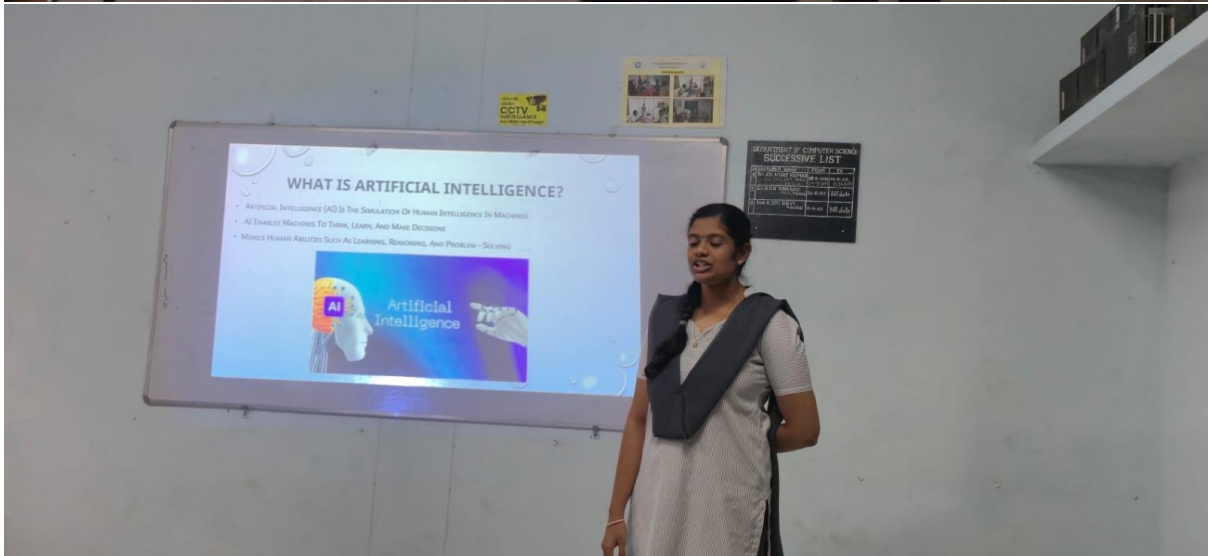

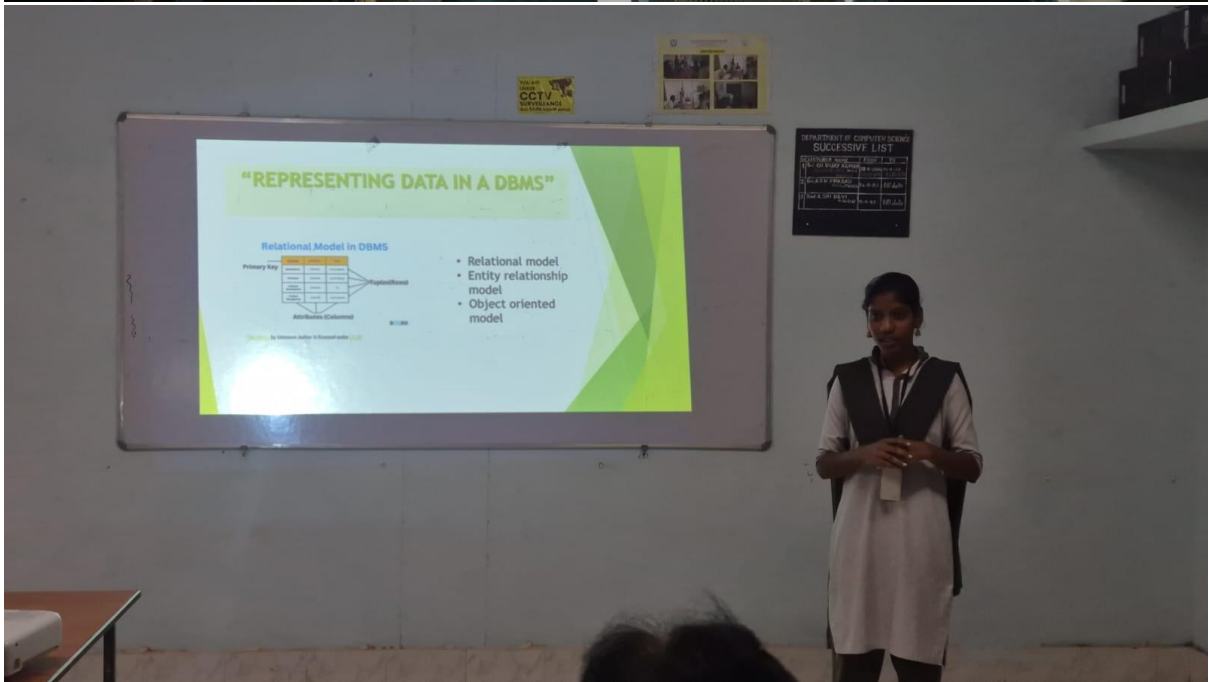

The competition witnessed enthusiastic participation from students across various classes. A total of **18 students** actively participated and presented their PowerPoint presentations on topics related to **Charles Babbage, evolution of computers, computer generations, and modern computing technologies**.

Each participant was given an opportunity to present their ideas effectively using visual aids. The presentations were evaluated by the faculty members of the Department of Computer Science based on **content clarity, presentation skills, creativity, and technical accuracy**. The judges appreciated the efforts of the students and encouraged them to continuously improve their communication and technical skills.

The event concluded with an interaction session where faculty members highlighted the importance of Charles Babbage's contributions and motivated students to develop innovative thinking in the field of Computer Science. The competition was informative, interactive, and successful in achieving its objectives.

The Department of Computer Science expressed its satisfaction over the active involvement of students and the overall success of the program.
